HOW MUCH HAVE YOU TAKEN BREATHING FOR GRANTED?

Dwi Setianto, Sin Sin Man & Wong Tong

Date: 6 November – 31 December 2020

Opening Reception: 6 November 2020 | 6:00 – 9:00 pm

Sin Sin Fine Art | Unit A, 4/F, Kin Teck Industrial Building,
26 Wong Chuk Hang Road, Hong Kong

To breathe is to live. It is the most fundamental act we do as human beings. It is only when the “privilege” of breathing fresh air is deprived from our daily lives, we started to realise how much we have taken breathing for granted.

As the last show in this difficult year of 2020, Sin Sin Fine Art is pleased to present 'Breathe', featuring works from Dwi Setianto, Sin Sin Man and Wong Tong. A showcase of works deeply inspired by the beauty of nature. Nature has a mystical force to tranquilize our minds and lift our spirits. By walking through a forest, listening to falling rain and connecting our senses to the nature; our body & minds are nurtured, healed and revitalised. We present an immersive experience with nature, that invites guests to inhale the good, and exhale the bad.

Curator and artist Sin Sin believes everyone should use their breath to experience the world in a more present state of mind. The more present you are, the more balance you are in life. We present 'Breathe' as a reminder for people to inhale deeply, focus on the “Qi” inside your lungs, and exhale the dark and negative energy away.

About Sin Sin Fine Art:

Sin Sin Fine Art is the first and main force in Hong Kong to bring Indonesian artworks to this city and open new windows for them to the international art scene. Sin Sin Fine Art focuses on contemporary art from all over the world that is spiritual and inspiring. The gallery cultivates a collection of works by selected international artists. Sin Sin Man considers herself a risk taker, in a sense that her selection of artists is based not on their market value but on their genuine visions and talents - no matter where they come from. This approach proved to be fruitful with many of the artists that later received recognition abroad.

Note to Visitors:

The gallery will open to the public in compliance with the Hong Kong government's health guidelines regarding social distancing and visitor and staff protection.
