### About Sin Sin Fine Art:

Sin Sin Fine Art is the first and main force in Hong Kong to bring Indonesian artworks to this city and open new windows for them to the international art scene. Sin Sin Fine Art focuses on contemporary art from all over the world that is spiritual and inspiring. The gallery cultivates a collection of works by selected international artists. Sin Sin Man considers herself a risk taker, in a sense that her selection of artists is based not on their market value but on their genuine visions and talents - no matter where they come from. This approach proved to be fruitful with many of the artists that later received recognition abroad.

### Note to Visitors:

The gallery will open to the public in compliance with the Hong Kong government's health guidelines regarding social distancing and visitor and staff protection.
